

In Photo #1 you see your voter barcode. Your Voter ID is found above the code and can be used to track your ballot on www.vote.nj.gov. Your voting district is below the code.

In Photo #2 is the “Bearer Box”. You only have to fill this out if you are handling someone else’s ballot. You do not have to fill it out on your own. You can be a bearer for ONLY three other ballots besides your own (so 4 total) per election. No candidate who appears on any ballot in the election can be a bearer for any ballot except their own.
