

This is the Cure Letter and Envelope that will change your ballot from “conditionally rejected” to “Accepted” if your signature did not match what was on file.

THIS IS A VERY IMPORTANT PIECE OF MAIL. If you receive it you MUST return it for your vote to count. If you do not return it, your vote will be rejected!!!

Keep an eye out in the mail for this letter AFTER you turn in your ballot. There is a timeframe for acceptance so the sooner you return your ballot the better!
